### FEATURES

#### Special Out-Of-Home LCD Panel

By using commercial grade LCD panels for Out-Of-Home applications, HYUNDAI Digital Signage display can provide higher brightness and contrast than standard LCD TV panels. This guarantees longer working time, deliver clear and bright image contents in the portrait or landscape format without any loss of quality.

#### Various aspect ratio Utilization

The aspect ratio of 32 : 9 given to you is two times of 16:9 conventional image, it allows to display 2 types of 16:9 contents at once.

#### 24/7 Operation

24/7 operation, thanks to use commercial LCD panels, gives continuous communication to customers.
